"Organized Effort on Behalf of Our City"

"The conception of Chamber activities is embodied in one of the adopted slogans "Organized Effort on Behalf of Our City" and the Chamber is a success only to the degree that this effort is extended and service rendered impartially fearlessly and unselfishly for the benefit of the community. The Chamber has made great strides in further developing the comprehensive character of the organization, which today is more generally recognized as an organized body through which all citizens may work for the advancement of the civic and commercial welfare of the city. It is non-political and non-sectarian. It voices the opinion of a membership composed of all shades of thought and of all lines of commercial and professional activity. It is the voluntary, collective contribution of public-spirited men and women to the common good."

NEWARK STREET GUIDE

EXPLANATORY NOTES

In the Street Guide residences and places of business are designated by their street number and are arranged in numerical order, the odd numbers first followed by the even numbers.

The streets are arranged in alphabetical order and the intersecting streets are given at the proper number where they intersect

Names are given of all business houses and householders

A dash (—) signifies that no number has been assigned

The abbreviation r between the street number and the name signifies "rear"

The word vacant after a number signifies that the house or store at that number was vacant when canvass was made.

*Denotes parties having telephones.
